

Subject: [Remote Sensing] Invitation to Contribute to Special Issue with a 30% Discount

Dear colleagues ,

I am following up on the previous email about our invitation to submit a paper to the special issue /Remote Sensing/, entitled “GNSS, Space Weather and TEC Special Features”. **As an invited author, you will be granted a 30% discount on the Article Processing Charge (APC).**

Remote Sensing is an open-access journal. The Impact Factor in 2019 is 4.509 and it has a 5-Year Impact Factor of 5.001. All submissions, including featured articles, will be subject to peer review.

For more information about the Special Issue, please see:

For information on manuscript preparation and related matters, please see the instructions for authors:

<http://www.mdpi.com/journal/remotesensing/instructions>

Would you let me know if you are interested? Although the deadline for submission of manuscripts to the Special Issue is 31 March 2022, I would appreciate hearing from you in the next few weeks whether you would be willing to submit a contribution.

With best wishes,

Guest Editor
