

Nomination and election process

A proposal for a new member can only be submitted by an existing member of the Academy, i. e. you cannot nominate yourself. If you want to nominate a candidate, please complete the [official nomination form](#), sign it and send it (with CV and publication list) via e-mail to presidential.office@euro-acad.eu.

Please note that nomination proposals must be submitted in electronic form and can be submitted at any time.

If the dossier is complete, it will be sent to the Dean of the respective class and the respective member of the Nomination Committee, who both evaluate the qualifications of the nominee. After the evaluation process has been completed, the candidate and the evaluations will be presented to the members of the Senate, who decide about membership. If a candidate is finally approved of and elected by the Senate, he/she will receive a “letter of election” by the President.
